**RESPONSE TO QUESTIONS
REGARDING BIBLESEX WEB SITE**

Greetings

In response to the recent forwarding of the "Research Request" into sexual conduct and the reference to the BibleSex.Com web site, i have received a number of enquiries seeking clarification or simply condemning the content of that web site.

The essence of these enquiries relate to a number of prevalent doctrines of the church which have no support in Torah and therefore are not from Yahweh.

The primary area, relating to marriage doctrine, has been touched on in a number of articles since the beginning of the year and was touched on in-depth in a series of postings on "An Abomination in The Holy Place" over Pesach 2000 which dealt with the level of adultery in the Body of Believers. This series of prophetic words and teachings communicated the fact that the false doctrines of the church today relating to virginity, marriage and other sexual and marriage issues had resulted in a situation where putting away (divorce for unScriptural reasons) had reached epidemic proportions in the Body of Believers. It was pointed out that reports indicate that about 70% of all marriages in the Body end in Divorce and remarriage resulting in serial polygamy which is adultery and fornication. The bottom line of this series was that Father Yahweh indicated that adding this to those who were "married" to women who were not virgins at the time of "marriage", almost the entire Body of Believers were living in adultery and were spiritually joined to every whore, witch and warlock on the planet and that this was a great abomination in the sight of Yahweh.

Note that 1 Corinthians 6:9-10 states ⁹ *Do you not know that the unrighteous will not inherit the kingdom of Yahweh (God)? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites,* ¹⁰ *nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of Yahweh (God).*" (NKJ) Accordingly, based on the above statistics, the VAST majority of Believers will NOT inherit the Kingdom of Yahweh!!

The postings on "The Wrath of God [Yahweh] for The Church: Why Judgment is Coming on The Church Today" and the sequel on "The Judgment for Adultery" set out clearly the basis on which Judgment of Believers takes place in this life and addressed certain specific issues relating to the

sacredness of virginity, the fact that sexual intercourse with a virgin IS the Act of Marriage, that the entire "marriage" ceremony performed in churches is a pagan rite with no Scriptural basis, that the "one flesh bond" is an unbreakable spiritual bond and that unresolved one flesh bonds, lack of submission and other related issues are a major factor behind financial lack in the Body of Believers.

These teachings also demonstrated clearly that in terms of Isaiah 4:1 there will be SEVEN times as many women as men in the Body of True Believers at the end of the age and that this prophecy applies to the current age and is being filled in the vast majority of congregations around the world. Many of these women are desperate for husbands who are mature believers and others are in deep bondage married to men who abuse them in the most terrible fashion. We are currently involved with a situation in which a woman has been stripped of her assets and is being effectively held prisoner by a psychopathic husband to whom she continues to seek to submit and love in terms of Scripture! It is deeply distressing.

The first of these two teachings, given on 31 December 2000, included prophetic word from Yahweh that His Wrath was now to be poured out in full measure on the "church" for all the heresies preached and practised in the name of "Jesus Christ". Readers who have not read those two articles are encouraged to read them before taking a position on the content of what follows.

In recent days, we have been led to post two articles, the first entitled "Iniquity" by A Hubele demonstrates convincingly that iniquity relates to the lack of Torah or the refusal to accept Torah and the second, entitled "The Truth About Torah" by James Trimm demonstrates convincingly that Yahshua Messiah DID NOT abolish Torah and that teachings which suggest that "New Testament" doctrines can and should violate Torah are entirely without foundation. It is advisable to read both these articles BEFORE reading this one in order to avoid falling into the traps of offense and serious sin that many who have opposed the truths addressed in what follows have fallen into.

This background is VITAL to understanding what follows.

The reality is that the two subjects addressed below are regarded as HIGHLY OFFENSIVE by most believers but the reality is that there is absolutely NO Scripture to back up that offense since that offense is outright opposition to the Word of Yahweh. Readers are therefore urged to consider prayerfully what follows and to read the attached book thoroughly against the background of the various teachings referred to above. Please do not hesitate to mail us if you would like back issues of any of the articles or if you have any queries.

Following is based on the response given to one enquirer and is left in the form of an email letter.

Shalom

Thank you for your enquiry.

I assume that you refer to the www.biblesex.com web site which is one of over twenty different web sites on a wide diversity of subjects, which are in course of preparation in accordance with our document on "The Calling of End Time Issue Ministries"?

This site is directed at bringing the message of coming Judgment to all those involved in sexual activity contrary to Torah -- which is almost the entire world including the vast majority of Believers -- by clearly and frankly setting aside all the false doctrines of the church with regard to marriage and sex -- thereby giving them an opportunity to repent in this life and avoid judgment in the life to come.

It is also directed at assisting the vast majority of Believers whose marriages are severely compromised by the same false doctrines. Yahweh has stated to me on numerous occasions that more Believers will not enter the Kingdom of Yahweh as a consequence of the false doctrines of the church regarding marriage and sex than from ANY other heresy prevalent in the world today!

Note that sexual intercourse is the ONLY activity in Torah reserved for marriage, it is therefore apparent that Yahweh regards sexual lovemaking as THE MOST IMPORTANT aspect of marriage! Ephesians 5:30-31 makes this clear: ³⁰ *For we are members of His body, of His flesh and of His bones.* ³¹ *"For this reason a man shall leave his father and mother and cleave (be joined) unto his wife, and the two shall become one flesh."* ³² *This is a great mystery, but I speak concerning Messiah and the church."*

In responding to your enquiry, the question is surely whether what is addressed on that particular web site is according to Torah or not?

Firstly:

- 1) Polygamy is sexual intercourse of many men with many women, that is fornication and is an abomination in the sight of Yahweh - if there is any passage on the web site which suggests otherwise i would appreciate knowing about it in order to correct what must be a typing error or inadvertent grammatical slip.
- 2) You are presumably not suggesting that you support the heresy that states that Yahshua changed Torah to introduce the heresy of enforced monogamy which was first legislated by Justinian in about 600 AD and by Rabbeneu Gershom in about 900 AD to protect Jews from persecution by the Roman "church" for applying Torah in marriage in terms of more than one woman marrying the same man?

Torah is quite clear that Yahweh permits more than one woman to marry the same man and the majority of men close to Yahweh throughout Scripture had more than one wife.

1 Timothy and Titus in three separate locations make it quite clear that a man is permitted to marry more than one wife. Those verses are generally mistranslated to prevent elders and overseers from having more than one wife but prayerful consideration will reveal that this cannot be the case as it would involve a perversion of Torah - if one studies out the Greek it becomes apparent that these verses are actually stating that before a man can assume one of these positions he must be married TO AT LEAST ONE WIFE and that he must not have put away his first wife - note that putting away and divorce are NOT the same. In fact, if one really prays into it, one will find that Yahweh is actually saying that if a man cannot manage a household with several wives he will be hard put to shepherd the flock of Yahweh!!

Attached please find the document "Is Polygamy Scriptural?" (as posted at Pesach 2000) which addresses this subject in more detail and demonstrates conclusively from Scripture that it is Yahweh's OWN HEART for a man to have more than one wife and that it is His intention in this age, as evidenced by Isaiah 4:1 - (refer the documents on Yahweh's Wrath for the Church which provide more context to this).

Given your commitment to Torah, it seems surprising that you could even think that Yahweh is responsible for the heresy of enforced monogamy which He clearly calls a "doctrine of demons" in 1 Timothy 4:1-3a. This heresy has been directly associated with fornication, adultery, divorce, prostitution, sexually transmitted diseases, abortion, murder and every evil thing since first instituted in Rome about the time of Yahshua and refined to a perverse art by the Emperor Caligula at about that time and was seemingly the subject of the violent and perverse movie of the same name judging by posters advertising the movie in London at the time. These perversions of enforced monogamy are what Yahshua was speaking against in Matthew 5 and 19 and Mark 10 when He spoke against putting away!

Further, as set out in detail in the attachment, Yahweh has given virginity, the intact hymen of the virgin bride, as a sacred safety seal and as the source of blood for the blood covenant which IS marriage. Since Father Yahweh clearly created women with a hymen and men with no corresponding physical safety seal, it is apparent that Yahweh intended women to marry (= have sexual intercourse) with ONLY one man but NEVER envisaged any such prohibition on men.

Secondly

- 1) There is ABSOLUTELY NO Scripture, in Torah, Tanakh OR Brit Chadasha (New Testament) which in ANY WAY discusses what is acceptable or not acceptable sexual practice WITHIN marriage, therefore, as much as some people may take offense at things which others find sexually stimulating, that is NOT a basis for Believers to take offense on a "religious" pretext.
- 2) The issues in Scripture relate to sexual relations OUTSIDE the marriage and with certain specific close blood relations. They have NOTHING to do with sexual practice WITHIN marriage.

Thirdly

- 1) You refer to "group sex". If by that you are referring to casual sex in a group setting with multiple males being present, then that again is fornication and the answer is "categorically not". I would very much like to see the passage on the web site which suggests that such an abomination is Scriptural in order that it may be immediately rectified.
- 2) In responding further, the issue here is not what people find aesthetically pleasing, it is what Yahweh states in Torah. If people cannot find something in Torah, then they should not be offended -- they don't have to practice it but they should refrain from condemning those who do.

If you refer to statements to the effect that there is nothing in Torah that prohibits a man from being sexually intimate with all of his wives at the same time or that prohibits the wives of the same man from being sexually intimate with one another, then the reality is that there is NO Scripture in TORAH or Tanakh or Brit Chadasha that in any way suggests that Yahweh has a problem with that - have prayed into this for over five years and found nothing in numerous readings of numerous Bible translations and in specific focused electronic research.

Leviticus 18 and 20 clearly set out the parameters of sexual sin and they all relate to specific RELATIONSHIPS with NO mention of anything to do with sexual behaviour within a marriage. None of the other passages in Torah and Tanakh which relate to sexual sin have anything to say about sexual intimacy between women who are one flesh with the SAME husband, or for that matter even on sexual intimacy between women generally.

The verses which deal with homosexuality (homo = man) expressly relate to a man lying with a man as with a woman -- in other words, a man penetrating another man. There is absolutely no way these

verses can be extrapolated to women the way the church heretically does.

Some people misinterpret Romans 1 in support of attacks on sexual intimacy between women.

Firstly, Yahshua did not come to introduce new legislation with regard to sexual sin - refer articles on Iniquity and The Truth About Torah, just posted.

Yahshua expressly stated that He had NOT come to abolish Torah and, as eloquently presented in the article on Iniquity, any addition to Torah IS INIQUITY which is HATED BY YAHWEH leading to harsh judgment -- there is absolutely NOTHING in Torah to support the view that Yahweh prohibits or even looks unfavourably on sexual intimacy between the wives of one man.

Secondly at least two witnesses are required in Scripture for any sin leading to judgment and death and there are dozens of such Scriptures for male - male (homo) sex, NOTHING for female - female apart from the dubious Romans 1 instance which is by no means unambiguous and is subject to question in terms of translation since it can only be speaking of sin as defined in Torah.

Thirdly, to suggest that Torah provides judgment for sexual intimacy between women, which should be the only basis for offense when it does not is GRIEVOUS sin in the sight of Yahweh and is roundly condemned throughout Scripture. Even if it were prohibited then there should be compassion, just as there is for the enormous number of people who get into adultery.

While Torah is silent on sexual intimacy between women who are not married to the same man, it is my opinion that this is undesirable and would not be necessary if all women were able to marry. This is immediately the case when the heretical doctrine of enforced monogamy is removed. As long as about 19% of women in the USA (as an example) are denied a husband because of enforced monogamy, i do not believe that anyone has any business pontificating on the basis of their personal prejudices when it is clearly far better for two single women who cannot find a husband to release sexual tensions with one another where there is clearly no Torah prohibition as opposed to doing what most of them do which is to fall into adultery, abuse and prostitution in desperation and through exploitation.

Insofar as "lesbianism" is concerned - women living together as "husband and wife" that is clearly not the intention of Yahweh BUT, again, there is NO PROHIBITION IN TORAH!!

We have a reasonably detailed writing on this subject from a detailed Scriptural perspective which can be forwarded if required.

IN CONCLUSION

The ruthless lack of compassion of the scribes and pharisees who twist Torah at their own whim on these issues constantly appals me and is a gross offense to Yahweh and Yahshua. These people make the Word of Yahweh of NO EFFECT to millions of people around the world, including millions of Jews and Muslims who know the truth about Torah on the subject of more than one woman marrying the same man. Yahweh has referred specifically to the doctrine of enforced monogamy as "heresy of the worst kind"!!

I hope that this adequately clarifies the matter to your satisfaction?

We can supply many hundreds of pages of further information on these subjects and refer you to a significant number of other Believers around the World who are all called by Yahweh to restore the truth about Yahweh's form of marriage.

Shalom aleichem

2:1 CLOSURE

It is hoped that this article has been helpful.

² Father, in the Name of YAHSHUA may all that is according to Your Will and Your Word in this article find deep root in the hearts of the readers and that if there is anything that is not of You let it find no root at all.

³ It is our prayer ¹⁷ that the God of our Lord Jesus Christ [YAHSHUA MESSIAH ADONAI], the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him, ¹⁸ the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints, ¹⁹ and what is the exceeding greatness of His power toward us who believe, according to the working of His mighty power²⁰ which He worked in Christ [MESSIAH] when He raised Him from the dead and seated Him at His right hand in the heavenly places, ²¹ far above all principality and power and might and dominion, and every name that is named, not only in this age but also in that which is to come. ²² And He put all things under His feet, and gave Him to be head over all things to the church, ²³ which is His body, the fullness of Him who fills all in all. (Ephesians 1:17-23 NKJ)

⁴ May YAHWEH bless you and keep you and make His face to shine upon you. In the name of ADONAI YAHSHUA MESSIAH (the Lord Jesus Christ), King of kings and Lord of lords. Amen.
