BIBLIOGRAPHIC INFORMATION

ABSTRACT: This article presents a transcript of a message given on 17 September, that is 6 days after the attacks on New York and Washington.

The message makes a significant number of statements which confirm what has been published recently.

Perhaps the most significant component is reference to a vision in which numerous human beings killed by Anthrax were seen. This message preceded the present anthrax attacks in the USA by several weeks.

It also contains a material number of statements which reflect a materially different interpretation of end time events, judgment, etc to that which has been presented on the ETI list.

Readers are encouraged to form their own opinions and, more specifically, to go to Yahweh to determine the truth. No one should rely on men for final guidance. By all means refer to the documents produced by men and take account of what prophets are saying but, at the end of the day, Yahshua died in order that YOU might have the Set Apart Holy Spirit dwell within YOU to be YOUR counsellor, comforter, friend, helper and teacher!

Each one of us will be judged according to what we do with the information at our disposal and we will also be judged with whether we use the gift of the Holy Spirit wisely or not. If readers have never been immersed in the Holy Spirit, as distinct from the act of making a decision to accept Yahshua the anointed one as saviour, and to believe in Yahweh, they are encouraged to earnestly seek that gift.

PREAMBLE

This article contains a number of important confirmations of events and also a number of statements which support a view of End Time Events, Judgment, etc that are directly contradictory to those previously published on this list. Readers should form their own opinions and then approach Yahweh for clarification and confirmation.

The writer is advised by the Father this article should be read in the context of Leviticus 26:13-46 which sets out the penalties for sin which are prophetically identified to some extent in this article and have been identified in previous articles:

"13 I am Yahweh your Elohim, who brought you out of the land of Egypt, that you should not be their slaves; I have broken the bands of your yoke and made you walk upright.

14 'But if you do not obey Me, and do not observe all these commandments,

15 and if you despise My statutes, or if your soul abhors My judgments, so that you do not perform all My commandments, but break My covenant,

16 I also will do this to you: I will even appoint terror over you, wasting disease and fever which shall consume the eyes and cause sorrow of heart. And you shall sow your seed in vain, for your enemies shall eat it.

17 I will set My face against you, and you shall be defeated by your enemies. Those who hate you shall reign over you, and you shall flee when no one pursues you.

18 'And after all this, if you do not obey Me, then I will punish you seven times more for your sins.

19 I will break the pride of your power; I will make your heavens like iron and your earth like bronze.

20 And your strength shall be spent in vain; for your land shall not yield its produce, nor shall the trees of the land yield their fruit.

21 ***'Then, if you walk contrary to Me, and are not willing to obey Me, I will bring on you seven times more plagues, according to your sins.***

22 *I will also send wild beasts among you, which shall rob you of your children, destroy your livestock, and make you few in number; and your highways shall be desolate.*

23 *'And if by these things you are not reformed by Me, but walk contrary to Me,*

24 *then I also will walk contrary to you, and I will punish you yet seven times for your sins.*

25 *And I will bring a sword against you that will execute the vengeance of the covenant; when you are gathered together within your cities I will send pestilence among you; and you shall be delivered into the hand of the enemy.*

26 *When I have cut off your supply of bread, ten women shall bake your bread in one oven, and they shall bring back your bread by weight, and you shall eat and not be satisfied.*

27 *'And after all this, if you do not obey Me, but walk contrary to Me,*

28 *then I also will walk contrary to you in fury; and I, even I, will chastise you seven times for your sins.*

29 *You shall eat the flesh of your sons, and you shall eat the flesh of your daughters.*

30 *I will destroy your high places, cut down your incense altars, and cast your carcasses on the lifeless forms of your idols; and My soul shall abhor you.*

31 *I will lay your cities waste and bring your sanctuaries to desolation, and I will not smell the fragrance of your sweet aromas.*

32 *I will bring the land to desolation, and your enemies who dwell in it shall be astonished at it.*

33 *I will scatter you among the nations and draw out a sword after you; your land shall be desolate and your cities waste.*

34 *Then the land shall enjoy its sabbaths as long as it lies desolate and you are in your enemies' land; then the land shall rest and enjoy its sabbaths.*

35 *As long as it lies desolate it shall rest-- for the time it did not rest on your sabbaths when you dwelt in it.*

36 *'And as for those of you who are left, I will send faintness into their hearts in the lands of their enemies; the sound of a shaken leaf shall cause them to flee; they shall flee as though fleeing from a sword, and they shall fall when no one pursues.*

37 *They shall stumble over one another, as it were before a sword, when no one pursues; and you shall have no power to stand before your enemies.*

38 *You shall perish among the nations, and the land of your enemies shall eat you up.*

39 *And those of you who are left shall waste away in their iniquity in your enemies' lands; also in their fathers' iniquities, which are with them, they shall waste away.*

40 *'But if they confess their iniquity and the iniquity of their fathers, with their unfaithfulness in which they were unfaithful to Me, and that they also have walked contrary to Me,*

41 and that I also have walked contrary to them and have brought them into the land of their enemies; if their uncircumcised hearts are humbled, and they accept their guilt--

42 then I will remember My covenant with Jacob, and My covenant with Isaac and My covenant with Abraham I will remember; I will remember the land.

43 The land also shall be left empty by them, and will enjoy its sabbaths while it lies desolate without them; they will accept their guilt, because they despised My judgments and because their soul abhorred My statutes.

44 Yet for all that, when they are in the land of their enemies, I will not cast them away, nor shall I abhor them, to utterly destroy them and break My covenant with them; for I am Yahweh their Elohim.

45 But for their sake I will remember the covenant of their ancestors, whom I brought out of the land of Egypt in the sight of the nations, that I might be their Elohim: I am Yahweh."

46 These are the statutes and judgments and laws which Yahweh made between Himself and the children of Israel on Mount Sinai by the hand of Moses." (NKJ adjusted)

In considering this, it is important to note that the word "plagues" also occurs repeatedly in the book of Revelation, for example in Revelation 18:8 **"Therefore her plagues will come in one day-- death and mourning and famine. And she will be utterly burned with fire, for strong is Yahweh Elohim who judges her."** (NKJ) As reported in the article, "1A1.01.10.15 "Why America is One Manifestation of Babylon" this applies to the United States.

This passage in Leviticus provides the Scriptural (Torah) basis for the coming judgment on the United States which IS a blood descendent of Israel.

END TIME CONTEXT

This article should be read in context with the series of articles following the events in the United States of America on 11 September 2001 (the World Trade Centre attacks, etc) and the series of articles relating to the withdrawing of the Grace restraining Satan and the commencement of Great Tribulation and judgment on the earth on the Great Day of the Feast of Tabernacles on 9 October 2001.

It provides further confirmation of current spiritual events. It also provides some distinctly different opinions on certain matters which readers should take to Yahweh for resolution.

ANTHRAX VISION FOR AMERICA

ANZAC Prophetic List

MODERATOR:

Less than a week after the Twin Towers attacks, Paul Cain rose and spoke at a conference in Kansas City despite not being on the schedule.

He felt that God was calling him to speak on this matter. Below are the main extracts from his September 17 message, including the 'Anthrax' vision. (-This was before the current Anthrax scare).

If you wish to read the full transcript, please see the links at the end..

PAUL CAIN'S MESSAGE - KANSAS CITY - SEPT 17, 2001:

We know that there are some awesome days ahead of us. The rapidity, the swift way, in which these things are coming down, it boggles one's mind. Its just unbelievable. I had a call from one of the leaders in London England, and he asked my opinion about the times. He said, "Is this the end?" He said, "Tell me do you believe this is the end?" I said, "Well it is certainly the beginning of the end, and how we need to pray for enough time to see revival. The Lord said he is going to do a fast work."

We are truly seeing signs of the end times, but for the elect's sake, those days will be shortened. Do you know? The good news is that revival will come. Stadiums will be filled. God will heal the sick, and God will raise the dead. God is going to have to protect some of his people. Some of his people are going to have to be willing just to be ready to go. Whether they are taken by germ warfare, or anthrax, or our water systems are polluted or filled with deadly bacteria. We're gonna have to be ready, prayed up, and ready to go. Maybe the Lord would choose to take someone like that. But take no chances. I wouldn't want to be sitting in front of a stupid television program or in a crazy movie house watching a worldly presentation or a movie taking the Lord's name in vain and dishonoring God the way they do, for anything in the world.

Now I'm being a little bit negative, holiness preaching I'd call it. Most people call it "legalism." Well, its about time we do something legal. Let's do our

best to shun all the evil we can. There is a heaven to gain and a hell to shun. I want to get back to that preaching.

I was thinking for the last number of weeks how I started out as an evangelist. People began to be healed, and then I became known as a healing evangelist. I got drafted into a movement called, "The Voice of Healing" and the healing revival, and so on. My true calling is that of evangelism. I want you not to forget about the prophetic, because it is a great tool to use in evangelism. But let's get the winning of souls back on our agenda. Let's start having a burden for souls.

I remember the days when I was preaching the gospel, and had that fiery evangelism locked up in me. I would preach and so many people would be saved in those days. Even the Baptists would have me preach for them, and some of the Methodists, before the charismata (the charismatic thing) was started. Because I could win souls. You know, I believe honesty is synonymous with humility. I'm telling you the truth. I could win souls. I got away from that, and just started praying for the sick and preaching to the church. I'm getting back to the saw dust trail. I'm getting back to the old time, old gospel preaching, and try to win as many souls as I can, no matter what the cost.

Have you seen the new change in America in the past few days since September the 11th, on that dreadful morning. God has caused people to turn toward him. What we need now is for God to do something for the people to turn to him.

Something even more devastating is coming. I don't want to frighten anybody. Well, yes I do. I want to. I want to frighten myself. I want to frighten you and tell you that something more, more evil and something more horrible is headed our way. We are going to have to be so full of God and so full of the Holy Ghost that we can withstand all of these onslaughts of the devil. You could kill every terrorist in the world, and still that devil would still be living to raise up new terrorists. There would be even more coming after us. So don't ever forget that. Don't think we can just kill the existing terrorists and their movement, because other movements will rise up. They have the inspiration for it.

Listen, my friend, Mike Bickle said something last night that cause me to shiver. I could not help but feel the tremendous truth and impact of what he said. When we pray, no matter what we pray about, God answers our prayer sometimes different than we expect. Sometimes he sends judgement. We think we prayed for mercy. We think we prayed for one thing. But even judgement sometimes is the mercy of God to bring, especially America, to her knees. Because America is so arrogant. America is so proud: America the beautiful. I'm as patriotic as anybody else here. I love the flag. I love "God bless America."

I love America, but I love God more than I have ever loved him in my life. There has been warning after warning - prophetic utterance, one after

another. Do you realize how many of these warnings actually reach the state department, and the FBI? I read some documents that were forwarded to the FBI only the other day that outlined some of the catastrophic things that are about to take place.

There are some very serious, (not possibilities), but there are definitely things set in motion at this very hour. It could be in two weeks. It could be in a month. It could be maybe little longer period of time. It depends on how we can ward this off. It depends a lot on sending troops into Afghanistan. It depends on how we treat this situation. If it is treated right, then God will hold the judgement back. If its treated wrong, God would allow judgement to come to America. But I don't want you to live in fear. If our lives are in alignment with the word of God, and we're living in obedience to the conviction of the Holy Spirit, and to the Word, we need not fear pestilence, nor plague, nor germ warfare, or even nuclear warfare. The bottom line is, it will get worse. We will have all of these things sooner or later. Probably sooner rather than later.

Through prayer God can intervene and God can hold it back. We hear that little song, "Just a little longer, please Jesus." We need time. We need to buy time.

There are things that are so frightening that men's hearts will fail them. Do you realize? I'm surprised that more heart failure was not experienced when those three airliners crashed into those buildings. Do we grasp the seriousness of this? Do we grasp that it is not just four or five thousand lives that are lost and billions of dollars that are at stake? It is the fact that God's judgement was not held back.

Now we are coming together. We are coming toward God. The Lord said that won't do. God wants you to come to him. As I said last night, there is a great difference between toward and to. The nation is a little bit inclined to turn toward God, but not ready, not quite ready to turn to God. We must turn to him. That is probably the most important thing that I could repeat, or the most important thing that I could say tonight.

The bottom line is that things are going to get worse. We shouldn't fear even limited nuclear exchange. We should not fear any of these things.

I was reminded, several years ago, when I had a vision of something that was like the old west. Some of you are old enough to remember the old western movies, the black and white movies, where they had the cattle herd and all that. Then cattle would drink from the same water tank and would contract anthrax and would die. How many of you ever saw a scene like that? There would be just cattle strewn all about. These dead cattle all swollen up because of the anthrax. I saw a vision and had a dream about that sort of thing. Only they were not cattle, they were people. They were all around these water tanks. They were lying dead from anthrax. Later it was known that some of the countries that we may be fighting against and

may be coming against us have not only the capabilities, but they have all of this in place. They have not used it, but it could very well be employed.

We must realize that these things are imminent. But before these things take their whole effectiveness, they can be stopped with prayer and revival. If we turn to God and not just toward God, and we seek him with all of our face, then revival will come as sure as the world.

I'm telling you that we must come to a place to where we can trust God to take care of us no matter what happens. All I'm saying is its time to return to the foot of the cross. Its time to pick up our cross. Its time to focus in on the word of God and return to basics and be filled with the Spirit. And march forth with flying colors. We need God on our side more than any other time.

But our God is about to show himself real to us if we'll return to him. If we'll return to him. Not just take a look now and then. Not just honor him in this or that. But honor him in everything, in all our ways. And when all our ways please God then he will make even our enemies to be at peace with us.

Let's stop being the know-it-alls. Let's stop being the bullies. Let's stop being the police state. Let's start being humble Americans who have made mistakes and will apologize for them.

What we need is the humility. And that has power. We need the confidence that comes only from honoring God. And that has power against our enemies and against every foe. If we start honoring God, God will honor us so fast. He will come so quickly. He will do so much to bring down all of these things. And keep the pestilence away and keep the anthrax away. And keep the germ warfare and the biological, chemical war he will hold it back. He will hold it back. We're gonna have a limited amount of it just to show us how great our God is, and how great his judgement could be. But God will intervene if he finds some more people than the people that are gathered in this arena tonight. He will come through for us. It doesn't take that many - even two agreeing together. It can stop famines. It can stop pestilence. It can stop anthrax from working. It can stop all the bombs. It can stop all the acts of terrorism.

CLOSURE

This report provides further confirmation of what is happening in the World today and it is hoped that readers will take action to sanctify themselves, examine their hearts, strengthen their faith and grow closer to Yahweh that they may overcome in the perilous times in which we live. All should earnestly and urgently turn to Yahweh to guide them to determine the truth about the events of this age and the action expected of them!

Father, in the Name of Yahshua may all that is according to Your Will and Your Word in this article find deep root in the hearts of the readers and if there is anything that is not of You let it find no root at all.

It is our prayer¹⁷ that the Elohim of our Adonai Yahshua Messiah, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him,¹⁸ the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints,¹⁹ and what is the exceeding greatness of His power toward us who believe, according to the working of His mighty power²⁰ which He worked in Messiah when He raised Him from the dead and seated Him at His right hand in the heavenly places,²¹ far above all principality and power and might and dominion, and every name that is named, not only in this age but also in that which is to come.²² And He put all things under His feet, and gave Him to be head over all things to the Body,²³ which is His body, the fullness of Him who fills all in all. (Ephesians 1:17-23 NKJ adjusted)

May Yahweh bless you and keep you and make His face to shine upon you. In the name of Adonai Yahshua Messiah, King of kings and Adonai of lords. Amen.
